Do No Harm Henry Marsh

""Do No Harm is a fascinating look into the reality of life as a neurosurgeon. The personal patient stories are gripping, providing the public with an incredibly candid look into the imperfections and perfections of a dedicated neurosurgeon. In Do No Harm, Dr. Marsh takes the reader into deep into a world of life, death, and everything in between. Despite it all, Dr. Marsh's commitment to his patients and his profession never wavers.

Do No Harm: Marsh, Henry: 9781250090133: Amazon.com: Books

In neurosurgery, more than in any other branch of medicine, the doctor's oath to "do no harm" holds a bitter irony. Operations on the brain carry grave risks. Every day, leading neurosurgeon Henry Marsh must make agonizing decisions, often in the face of great urgency and uncertainty.

Do No Harm: Stories of Life, Death and Brain Surgery by ...

Do No Harm is all about neurosurgeon Henry Marsh, his patients, their outcomes and how the British health care system would frequently get in the way. The book also came off as disjointed in that it really (to me) didn't follow a specific path, instead meandering through Mr Marsh's patients and cases.
