Fallout Strategy Guide Fallout is a post-apocalyptic RPG, taking place in an alternate society after nuclear war devastated the United States. It provides several means to solve individual problems, allows the player to create their own character to use in the game, and

Fallout Strategy Guide - e13components.com

THE END -- OF THE GUIDE ===== Basically, that's everything worth doing in Fallout. Getting a level 21 character is really the final quest, in my opinion. You have the best armor, best weapons, and everything else that anybody could want in the game -- just have fun killing evil people over and over again.

Fallout 4 Overview | Gamer Guides

This guide is an attempt to provide a thorough presentation of the things you can do in Fallout 2: quests to perform, places to go, people to eat. It is not, on the other hand, an attempt to compile reams of game data such as documenting every karma point gained or lost, because it wouldn't be much fun.
