### Feminist Perspectives On Transitional Justice

This book offers some insights into women's perspectives and feminist views on the topic of transitional justice or 'justice in transition.' Bringing feminism into the conversation allows for an expansion of the possibilities for a transformative justice approach after a period of conflict or insecurity, not by replacing it with feminist theory, but by broadening the scope and vision of the potential responses.

### FEMINIST PERSPECTIVES ON TRANSITIONAL JUSTICE

From an international perspective, the U.S. needs to pursue TJ. In addition to addressing victims and perpetrators, TJ is undertaken to fundamentally change how citizens interact—with each other and with the government. By altering interaction and providing some measure of justice to victims and perpetrators, the hope is to prevent repetition.

### Feminist Perspectives on Transitional Justice - Martha ...

Feminists continue to engage at a policy level with the exclusions of transitional justice and seek to 'add gender' to its processes. For example, the two studies on gender and TCs cited above continue to push for improvements in making TCs more accessible to the input and justice demands of women.

a feminist perspective to transformative transitional justice. It attempted to create an interactive space and a sound knowledge base among experts in transitional justice, legal professionals, and human rights defenders. The present report summarizes the themes tackled during the conference and presents its main outcomes.

### Gender-Sensitive Transitional Justice Process in Syria

By Kirithi Jayakumar A Japanese girl was a victim of the atomic bombings of Hiroshima and Nagasaki at the young age of two. Irradiated severely, she survived for another 10 years. Before she died, she worked hard to fold one thousand origami cranes: a powerful symbol of the innocent victims of nuclear warfare that endure

### Memory and Art: Feminist Ways of Healing and Doing Justice

Although traditionally silent on gender, the past decade witnessed the increasing utilization of gender lenses - and in particular diverse feminist theories - to elucidate the gendered workings of post-conflict transitions. However, while gender perspectives have become a burgeoning focus of analysis in the field of transitional justice, the dominant conceptualization of 'gender' in scholarship and practice on dealing with the past effectively remains a limited one - exclusive of ...

While most feminist theorists throughout history have been women, people of all genders can be found working in the discipline today. By shifting the focus of social theory away from the perspectives and experiences of men, feminist theorists have created social theories that are more inclusive and creative than those that assume the social actor to always be a man.
