List of PC games (G) - Wikipedia

G-code is a programming language for computer numerical controlled (CNC) machines. In this short guide, we'll introduce you to the basics of G-code, and how to start using it . (Spoiler alert: unlike some other programming languages, you won't have decipher the meaning of all the letters and digits of G-code to use CNC; you only need to choose the right CAM program to generate it for you!)

Guide to CAD for CNC: What is G-code?
