The fourth edition of the Oxford Textbook of Palliative Medicine has been re-published and updated in 2010 with the participation of four new editors, including Russell K. Portenoy and Nicholas A. Christakis from the United States. This textbook continues to be the premier textbook in the emerging field of palliative medicine.

Oxford Textbook of Palliative Medicine, Fourth Edition

the whole field, it risks becoming a watered-down textbook of internal medicine. More seriously, family medicine differs from most other disciplines in such fundamental ways that the conventional structure, though used in family medicine when appropriate, is at a variance with the organismic thinking that is natural to our discipline.
