Plague Maker Tim Downs

Tim Downs' novel, Plague Maker, says it's 'A Thriller', but I'd probably liken it to a suspense story that turns thriller where appropriate. Readers expecting Downs' original protagonist, forensic entomologist Dr. Nick Polchak, aka, 'The Bug Man', to lead the heroics won't find him doing so. He has a guest role here.

Downs' book is equal to the other book on every level, but exceeds it in moments of comic relief, and in the portrayal of vengeance and forgiveness. Plague Maker by Tim Downs Book Review - TitleTrakk.com

Author Tim Downs is amazing. Plague Makers kept me guessing (and awake) from the beginning. The story is based on a horrific place in China where the Japanese carried out human testing for biological weapons. I fell in love with wise old Li, the real hero of the book. If you like suspense, this is a must read.
