At a societal level, in Book 5, Plato has Socrates lay down the prerequisites for a harmonious society that consists of three classes: the producers, the guardians, and the philosopher-kings. As I have argued elsewhere, Socrates organises the ideal city in Book 5 so that it bears specific characteristics and complies with certain rules that are imposed by his middle period ontology. [5]

Republic is the central work of the Western world's most famous philosopher. Essentially an inquiry into morality, Republic also contains crucial arguments and insights into many other areas of philosophy. It is also a literary masterpiece: the philosophy is presented for the most part for the ordinary reader, who is carried along by the wit and intensity of the dialogue and by Plato's ...
