BRICS and Beyond: Lessons on Emerging Markets: Jones ...

A collection of research papers on the BRICs phenomenon and its impact on the global economy. The Goldman Sachs Global Economics Department has recently released BRICs and Beyond. This book compiles our recent research on the BRICs—Brazil, Russia, India and China—and the changing nature of the global economy. It is now six years since we coined the term 'BRIC' in our Global Economics Paper, 'Building Better Global Economic BRICs', published on November 30, 2001.

beyondbrics | Financial Times

In many jurisdictions, the scope of protection afforded by a patent is defined by the claims as read either literally or under doctrine of equivalents. Infringement based on the doctrine of equivalents may be based in part on statutory law, the interpretation of which is generally established via case law (e.g. Court decisions). The purpose...
