The Coma on Apple Books

"The Coma is an unpaginated descent into a hall of mirrors, wherein the writer wants to play games with your head... it's a chilly mood piece - its shadowy tone redolent of Poe and Kafka (and its murky imaginative contours heightened by a series of dark woodcut illustrations by Garland's father)... a strange compelling ride into that realm where nothing is what it seems - and where night never really wakes up.'

The Coma: Amazon.co.uk: Garland, Alex: 9780571223107: Books

The Tesseract, by Alex Garland, is a strange book, because it takes 4 sets of characters (an Englishman in Manila, the local "heavy" that he's due to meet, 2 street kids, and a family) and watches what happens in the run up to (and after) the time when these 4 groups collide. It's a good, but rather, depressing book.
